

American Heart Association®

# Target: Type 2 Diabetes<sup>SM</sup>

The American Heart Association is pleased to recognize these organizations for their commitment to improving the health of their patients through high quality care related to type 2 diabetes and management of cardiovascular risk factors with the ultimate goal of reducing cardiovascular deaths, heart attacks, and strokes in people living with type 2 diabetes.

## Gold Award

The American Heart Association's Target: Type 2 Diabetes<sup>SM</sup> program recognizes organizations for improving quality of care through awareness, detection, and management of type 2 diabetes and cardiovascular disease risk factors by educating and empowering patients with evidence-based information and tools.
