If you have type 2 diabetes, Diabetes Self-Management Education and Support (DSMES) Services will help you live well and navigate your diabetes journey. You will find the direction, know-how, skills and support you need to succeed.

What is DSMES?
A series of sessions with a diabetes educator who will empower you to self-manage your diabetes and will make your journey with diabetes easier. And when your doctor refers you to a program, it is often covered by your insurance!

If you have diabetes, there is a lot you can do. Talk to your doctor about your next steps.

Ask your doctor for a referral.

Visit diabetes.org/findaprogram to find a program near you.

Start getting the support you need.

You’re not in this alone. Find answers to your questions and join the initiative at: knowdiabetesbyheart.org/join.
